

### Youth Services Division

Every case that is filed in the Dickson County Juvenile Court is assigned to a Youth Service Officer (YSO). The role of the YSO is to work directly with a child and family throughout the court process, serving as the liaison for the family with the Juvenile Court.

This role can include meeting with and providing information to families and self-represented litigants, contacting interested parties, ensuring court orders are obeyed, coordinating with other service agencies, and making recommendations to the Judge of any need for services.

Youth Service Officers:

Cindy Sensing, Linda Ferebee and Tommy Beile can all be reached Monday – Friday 8:00am to 4:00pm at 615-789-0250
